ADMINISTRATOR'S MEMORANDUM NO. 46

Committee on Drought Problems

In order to provide a central point for consideration of production and other problems resulting from drought conditions which may develop from time to time, a Committee on Drought Problems is hereby established, composed of the following representatives:

D. A. FitzGerald, Office of Production, Chairman
O. D. Klein, Agricultural Adjustment Agency
Paul V. Kepner, Extension Service
C. W. Kitchen, Office of Distribution
Paul L. Koenig, Bureau of Agricultural Economics
C. C. Farrington, Commodity Credit Corporation

The Committee shall be responsible for developing recommendations for ameliorating the adverse effects of widespread droughts on wartime crop and livestock production.

The Committee may add to its membership representatives of other agencies of the War Food Administration which are interested in or in a position to make a contribution to drought problems.
